NISSAN
MOTOR CORPORATION

1.1 Product & Process Concept Study

Activity Purpose:

- To demonstrate that the product and process proposal will achieve the Nissan targets.

Note(s):

- The Product & Process Concept Proposal should be part of the detailed response to the Nissan provided Request for Quotation (RFQ) package.
- The supplier shall conduct a contract review including all technical requirements of the RFQ package.

Phase	1	2	3	4	5
