Part Submission Warrant (PSW)

Key Point(s):

- The Part Submission Warrant (PSW) is a document that affirms the ability of the supplier to deliver products that meet Nissan requirements.
- The NPQP Part Submission Warrant is a summary document and should be accompanied by the documents required by Nissan.
- The supplier will agree these documents with Nissan prior to submission of the warrant.
- If it is necessary to apply for multiple locations or multiple part numbers at the same time, it may be possible to apply for them all at once, notwithstanding the following provisions. Be sure to obtain agreement with Nissan in advance on the scope of the application

Minimum Content Requirement(s):

- A separate PSW shall be raised for:
  - each part number or group of part numbers relating to a part family.
  - each supplier plant location.
  - each Nissan assembly plant and/or facility.
- A new PSW shall be raised following the introduction of new equipment/ tooling/production facility.
- If the PSW applies to a specific manufacturing line, this should be clearly stated in the 'Details/Other' field.
