NPQP v 2.0

NPQP - PART SUBMISSION WARRANT (PSW)

Project: 711	Safety ☐ Nissan Impt A☐ Impt B ☐ Impt C ☐ OBD☐ Regulation ☐	Doc. Ref. No./Ver 12345 Doc Rev. Date: Doc. Origin Date:
Supplier Name: Quality Products S.A.	Supplier Code: A497	E-mail: e-wilsy@ga-p.co.jp
Supplier Plant: Barcelona	Author: E. L. Wisty	Tel: +34 289 47 91 46

Part Name:	Trim Finisher	Control Plan Reference / Version:	CP J81-E612 Version 3
Part No. :	94258 JD100	Control Plan Revision Date:	07/10/2017
Design Note No. :	T04896	Average Weight:	3.300kg
Drawing No:	94258 JD100-B1	Nissan Plant:	Nissan Tochigi
		First Part Delivery Date:	01/02/2018

Reason for submission

☑ Initial Submission ☐ Process Change ☐ Tooling Change
☐ Design Change ☐ Sub-Supplier Change ☐ Tooling Refurbishment/Replacement
☐ Material Change ☐ Location Change ☐ Re-submission

Details / Other:

Items attached to this Submission Warrant:

☑ Control Plan
☑ Process Flow Chart
☑ Inspection Report (including IMDS ID)
☑ Supplier Test Plan & Report
☑ Process Capability Study Result
☑ Appearence Approval Report / Styling approval
☑ Ramp up activity plan (shoki ryudo plan)
☐ Engineering Drawings
☐ Component Supply Chain Chart
☐ Gauge Specification / Approval Report
☐ Sub-components PSW or equivalent
☑ Parts
☐ Design Note
☐ Certificate of homologation (evidence)
☐ Part Number Details
☐ P-FMEA
☐ Design / Process / Facility Change Request
☑ Full Volume Confirmation Audit (supplier self)
☐ Nissan audit result (SPQSR)
☐ Other

For each supporting document, indicate the issue level and date on an attached list.

Submission Acceptability

☑ Dimensional Requirements OK
☑ Appearance Requirements OK
☑ Material Requirements OK
☑ Functional Requirements OK
☐ Statistical Process Data OK
☑ Component Marking OK
☑ Full Volume Confirmation Audit Result OK

The results meet all drawing and specification requirements: ◉ YES ○ NO

If NO, explanation required:

Declaration

I confirm that the samples covered by this documentation are representative of production parts and have been manufactured to the relevant drawings and specifications with no off-standard operations in the production process. Any deviations from this declaration are as follows:

Name: **E. L. Wisty** Position: **Quality Manager**

Signature: *E. L. Wisty* Date: **12/12/2017**

NISSAN APPROVAL

☐ Approved ☐ Interim Approval ☐ Rejected
